SUN BIRD

A stick figure of a sunbird in a crouching position. The figure has a large circular head with a small blue dot for an eye and a curved line for a smile. It has a long, thin neck and a body composed of several connected segments. The legs are long and thin, with small oval feet. The wings are also long and thin, with small oval tips. The entire figure is drawn with black lines and is positioned in the center of a large blue oval frame.

The entire figure is drawn with black lines and is positioned in the center of a large blue oval frame.

Blue

**MONKEY
POSE**

A stick figure is shown in a 'monkey pose' (Urdhva Dhanurasana). The figure is bent at the hips, with the back to the ground. The right arm is extended straight back, and the left arm is bent at the elbow with the hand near the head. The feet are flat on the ground, and the head is tilted back. The entire figure is enclosed within a thick blue oval border.
